

MISSION STATEMENT

Our mission, from our founding in 1973 to the present time, is to provide low-income seniors with affordable housing facilities which will allow them to live independently for as long as possible.

Spring at the Village

"I have been living here for 27 years, and if I didn't like the place, I wouldn't have stayed so long. I love the people around me. It's very quiet and peaceful here", says 98-year-old Mary, a resident.

"I feel very safe and secure living here. I really get along with all of the seniors here. I also really like being across the street from All Saints Church", says Gerri, a resident.

The gathering place

As a not for profit corporation, having no affiliation with any government agency, we strive to promote a healthy, secure, happy and safe environment for all our residents. A nine-member volunteer Board oversees the daily management of the facility. Our complex is well known in the area for its beauty, low cost, well-kept grounds, friendly, home-like atmosphere, and central location in St. Peters, MO.

The early years

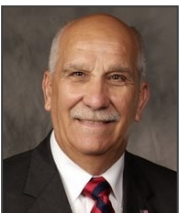

As our facility ages, more extensive maintenance and upgrades are required. We have been very fortunate to have received help with several large projects over the years, such as new roofs, replacement of aging sidewalks and porches, update of our Community room, and overlay of the parking lot, to name a few. Our goal now is to completely renovate 12 buildings, utilizing products which have been developed to allow seniors to age in place. All improvements are geared to make it possible for our seniors to stay independent in a safe, healthy environment as long as possible.

If you are interested in supporting the St. Peters Senior Village, please call Fran at 636-706-2069 or email office@stpetersseniorvillage.com for more information.

We offer our residents many activities during the year, such as bingo, catered dinners and parties, landscape contests with prizes, free laundry facilities, free use of the community room, movie nights, and birthday celebrations. Through the generosity of a donor, the residents receive free salon days, food gifts for holidays, and Christmas gift cards.

"The St. Peters Senior Village has been a great asset to our community through the years, and I hope we can update and modernize it so it will continue to serve our community!"

Len Pagano

Mayor, St. Peters

As part of our commitment to serving the St. Peters community, we provide one building with four units for seniors with mobility issues.

"I absolutely love this place," says Sue, a resident. "I could not be more happy with the location of the Senior Village. I am across from All Saints Church and can walk to church services. This place has everything a senior could want to live independently."
